FOUR DECADES AT THE KENYAN COAST

KANYI J. & COMPANY ADVOCATES is a top-tier Kenyan law firm headquartered in the coastal city of Mombasa, with branch offices in Kilifi and Malindi. For four decades the firm has met the legal needs of corporate and private clients with experience, transparency and integrity — earning the respect of clients and adversaries alike.

The firm traces its history to 1985, when it was founded as J. V. Juma & Company Advocates by Mr. J. V. Juma as sole proprietor. Following Mr. Juma's elevation to the High Court as a Puisne Judge, Mr. Joseph Karanja Kanyi — who had by then resigned from the Judiciary after serving as Chief Magistrate, Mombasa — took over the practice, which was renamed Kanyi J. & Company Advocates in 1996. In the 2010s the firm broadened its practice to include specialised Maritime Law services, reflecting Mombasa's growing importance as a shipping hub.
